## The Santa's Secret Village Game

### Supplies

.....

- Scissors
- Optional: Rubber cement, card stock paper

### Directions

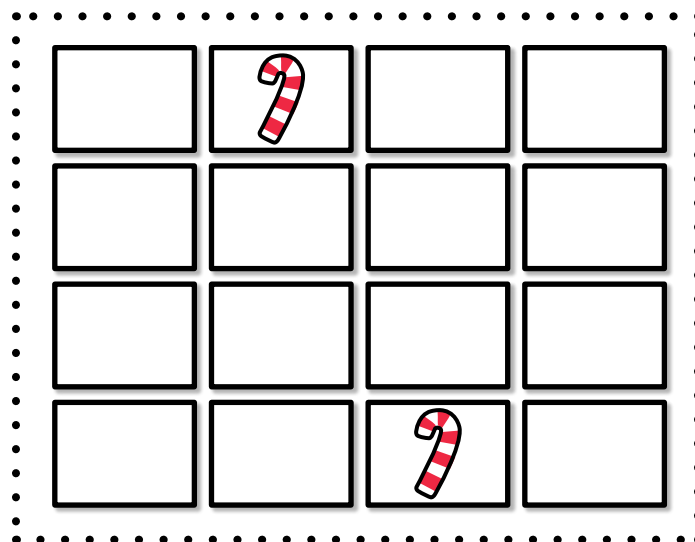

.....

1) Print out pages 2 & 3. Cut out memory cards.

Optional: For thicker cards, print on card stock or glue to thicker paper/board.

To play the memory game:

- Mix up cards. Place all cards face down.
- First player turns one card over, then turns over another card to try to find the second card that matches the first.
- If the second card does not match, both cards return to a face down position.
- If the cards do match, the player picks up the matching cards. Then it is the next player's turn.
- Game is complete when all pairs have been found. Whoever found the most matches is the winner.

Now you have your own Northpole game!
